Where Will Money Come From?

People ask: "Where will the money come from?" to reach the thirteen-billion dollar goal of the War Savings Bonds campaign. The answer is simple. The people HAVE the money. When we produce munitions or peacetime goods, or anything else, we likewise produce income. For every dollar of production, there is a dollar of income.

The problem of war finance boils down to this—If individuals and businesses receive more income after taxes than there are things produced for them to buy, then excess funds arise.

The government deficit is matched by the combined surplus of everybody else. This surplus should be put into government securities to wipe out that deficit.

They give their lives... You lend your money.

YOU GET A \$25.00 BOND FOR ONLY \$18.75

Brief Facts About War Savings Bonds (Series E)

How much do they cost? You LEND Uncle Sam

Open Maturity You Get Back

\$18.75.....\$25.00

37.50.....100.00

375.00.....1,000.00

750.00.....2,000.00

What is a War Bond? It is a written promise by the United States Government to pay you the amount of money stated on the Bond.

What interest does my money earn? When held 10 years, Bonds yield 2.5 percent on your investment, compounded semiannually. You get back \$4 for every \$3.

When can I get my money back? Any time after 60 days from the date the Bond was issued. Naturally, the longer you hold the Bond, up to 10 years, the more money you'll get back. But you'll never get back less than you put in.

Can anyone cash the bond? Only the person or persons whose names appear on the Bond as owners.

THE RISEN LORD

LESSON TEXT—John 20:1-17. GOLDEN TEXT—He is risen—Mark 16:8.

"Christ is living! My people shall know it. I shall preach about it again and again until they believe as I do." So exclaimed Dr. Dale of London when the glory of Christ's resurrection told him of him as never before. There began that day the custom of singing an Easter hymn in his church every Sunday morning.

Easter has come again, and it ought to make us glad to recall the resurrection power of Christianity in the midst of the world's awful sorrow and death. Easter should mean more to us than ever this year, if we believe in Christ. If we do not, why not rid ourselves of the dark garments of unbelief, and put on the bright and beautiful garment of faith in a living Christ. Let us be clad in His righteousness.

The first Easter Sunday had scarcely dawned when the faithful Mary came to the tomb. Finding the stone rolled away from its entrance, she ran to find Peter and John. What they came and saw, and what-
of the church under an arch of safety held by the honor guard, made up of cadet officers, all members of the Air Corps, C-47 Detachment stationed at Clifton College, Mrs. Schlegel has returned to Washington where she is employed with the War Department.
